Why IME

IME provides full technical support when there is any problem occurred and competitive package compared to others. They also provide fast response and good service whenever enquires raised.

IME CASE STUDY

Everlast Access Technologies Sdn Bhd (Under PMB Technology Berhad)

Ladders are ancient tools and technology.

Innovative, Durable, Trustworthy, Variety, Versatile...

Success Metrics

- Cost saving
- Shorten the lead time by 30% to 40%
- Ease of modification
- Reduce cost of product development

Challenge

- Difficult to modify through AutoCAD
- Cannot perform FEA by using 2D CAD environment
- Unable to generate high quality drawing for presentation purpose by using 2D CAD

📁 Industry:

Aluminum Fabricant

Previous CAD (*years of using*) :

AutoCAD

Product(s) Used (*years of using*) :

SolidWorks Standard & SolidWorks Premium

About IME Technology

IME TECHNOLOGY is the most established SolidWorks Certified Sales, Training and Support Centre in this region with 19 years of experiences that we learned from our customers. Through innovation, we are committed in providing a wide range of professional services to our valued customers. Leading by 2 SolidWorks Elite Engineers and backup by 8 certified SolidWorks expert (CSWE), IME technical support team will ensure the partnership between SolidWorks, IME and our customer will grow, shine and sustain. Our complete total solutions include 3D design, Analysis, flow simulation, Data Management, technical documentation and training services. Get the best solution from the best provider in Malaysia.
