

Bosch Packaging Technology, Inc.

COMPANY

Designs and manufactures packaging machinery for the pharmaceutical industry.

CHALLENGE

The design team needed software that allowed them to reuse design data quickly and easily in order to create multiple variations of a single product design.

SOLIDWORKS BENEFITS

- Accelerated development of design options with configurations.
- Made design changes more easily with parametric design.
- Learned how to use the software quickly.
- Improved large assembly capabilities.

“ With **SOLIDWORKS**, we can create multiple versions quickly from a base design.”
